Piece Description - 107-9495809-6615430

Packaging Instructions

1. Pack the items in a sturdy box using cushioning materials to keep them secure.
2. Remove or black out any old shipping label(s), including the original shipping barcode.
3. Seal the box with packaging tape.
4. Fold the new shipping label along the horizontal line and place in a plastic shipping pouch or completely cover the label on the box with clear shipping tape. Make sure the barcode portion of the label can be scanned.
5. Please dispose of any unused labels.

By using this application, you agree that you have reviewed all information provided by the merchant regarding the shipment including addresses, declared value, service type and weight and agree that all the information is correct. If you believe any of the shipment information is incorrect, do not process this shipment and contact the merchant to correct the information. Any discrepancies regarding the shipment information must be resolved directly between you and the merchant.
